Air ACES Newssheet - July 2021.

28th June 2021 talk evening.

Jonathon Whaley gave a brilliant presentation about the colourful Hawker Hunter that he used to own - Miss Demeanour - together with a lot of aspects about Air Displays & Airshows.

Amazing photos & video's.

Many thanks to all of the members that came on this evening.

It was disappointing that 15 members did not come, after 'booking' seats, for this 'controlled' evening. To those who did come, many thanks for your patience with the controls that had to be out into operation.

The Monday 26th July Air ACES talk evening is -

'Archibald MacIndoe & the Guinea Pig Club', presented by Alex Sewell.

The story about the 'Guinea Pig Club' is one of the most amazing stories to come out of WW2.

About the many airmen who were burnt, and had their injuries 'repaired' by this amazing man.

An amazing story that you cannot miss!!!

With government restrictions further relaxed, all members & guests are welcome as we will be back to full capacity, but still expect extra ventilation and other measures

Air ACES looks forward to seeing all of you on this evening, **No booking required.**

Change of speaker / talk on Monday 23rd August 2021.

Unfortunately, Chris Roberts from NATS is unable to give his presentation at present.

Phil Holt (*Remember he, with '911 - U.S.A. ATC' back in 2018,*

is giving another amazing talk to the Air ACES members, entitled
'Keep Calm - I'm an Air Traffic Controller'.

Don't miss this talk evening.

Urgent request.

It has come about that the Air ACES organising 'team'
require a 'minutes secretary' for their meetings.

This 'team' meet only 6 times a year, bi-monthly on Thursday mornings.

*This 'job' only entails the taking of the meetings minutes, and thereafter,
producing sets of written minutes for 'the team'.*

*Very easy - **any volunteer's please??***

I will continue these monthly newssheets for 2 more months - until September 2021,
hoping that they are keeping you in touch with Air ACES, and entusing you to attend the monthly Air ACES talk evenings.
If any of you wish to write to me, with any points or questions, please do so - I look forward to receiving same.

My email address is - david.airaces@hotmail.com. I also welcome phone calls - 01243 823007.

Kind regards,

David Batcock - chairman.
