Operation Barwood

by

Air Marshal Sir Baz North KCB OBE RAF (retd)

Sir Baz will give an insight into “Operation Barwood” and the challenges of undertaking this humanitarian mission.

The operation involved the provision of helicopter support and the delivery of relief supplies to Mozambique and the parts of Southern Africa, after these areas had been devastated by severe flooding.

Sir Baz will show the sort of vital relief work where a helicopter can become a true life-saver to those suffering a natural disaster.

The talk will be accompanied by pictures of the operation.
