

The Invention of the Jet Engine

Capt Ian Whittle will be giving a talk about his Father, Air Commodore Sir Frank Whittle,
the inventor of the Jet Engine

Thursday 4th April 2019 7pm

The Dorford Centre, Dorchester DT1 1RR

Tickets £15 to include soft drink and nibbles

More details from Gerry Gerrard 01305 852320 or ggerrard99@gmail.com

The talk is being given to raise money for the installation and dedication of a stained glass memorial window in Holy Trinity Church Warmwell, in memory of those who served at RAF Warmwell between 1937 and 1946.
