ROADWORKS IN LURGASHALL

Meeting in the Village Hall on Thursday 13 September 2012

at 7 pm

WORK TO COMMENCE 29 OCTOBER 2012 FOR FOUR MONTHS

ROADS AFFECTED;

1 DIAL GREEN LANE
FROM THE JUNCTION WITH JOBSONS LANE, TO THE GREEN AS FAR AS THE NOAHS ARK.
2 HIGH HAMPSTEAD LANE
FROM JUBILEE COTTAGE TO THE CROSSROADS AT SIGNPOST COTTAGE
3 THE GREEN
THE ROAD RUNNING ALONG THE WESTERN EDGE OF THE GREEN, FROM BOUNDARY COTTAGE TO THE CROSSROADS AT SIGNPOST COTTAGE.

The work is described as being "To renew water main and all services". The contractors will be Clancy Docwra on behalf of Southern Water.

The starting date for the work is given as Monday 29 October 2012, and is scheduled to take four months overall. However, the three stretches of road will be closed at different times to allow for a diversionary system to be operated, but at the time of writing no information is available on the individual work schedules. I am informed that residential, pedestrian and emergency access will be maintained at all times.

Parishioners who have any concerns about the road closures are invited to come along to the Village Hall on 13 September at 7 pm, when representatives of the contractors will be present to explain both the work and the closure schedules, and to answer questions.
